Construction Volunteer Information

Name _____

The following is a list of needed construction skills. Please indicate the areas in which you are interested in working and circle your skill level for each item. For each "High skill" or "Trade" you indicate, you will receive a second survey which will help further define your skills. This will greatly help us plan for the upcoming construction season. Construction begins in the spring and continues through the summer into early fall. Thank you for your help!

Skills

Skill levels
