South Pine Street Home Almost Complete

The Prayer House at 338 S. Pine Street, our 46th Habitat home in Rock County, is almost completed for Uriel DeViana, Kristen Berry, and their daughter Lilly.

There are a few small projects left before the family can move in, and an occupancy inspection will take place within the next few weeks.

The family is extremely eager to move in and has been diligently working

on their home and completing their sweat equity hours.

Uriel, Kristen, and Lilly hope to begin moving in by the end of September.

The family and our staff would like to thank all the volunteers and supporters who have helped with this house. Because of you, we are able to give this family a place to call home.

Uriel and Kristen working on their home.

Trim For Sale

Looking for some trim for inside your home? We have medium cedar trim for sale in our ReStore for \$.50 per foot until June 30th. Call the office (608-754-1228) or stop in to pick up your trim today.

Rock County Habitat Has a New Name

The time has finally come—we will no longer be known just as Rock County Habitat for Humanity.

Beginning July 1st, 2011, we will have a new name. We are currently in the process of acquiring Habi-

tat for Humanity of Jefferson County, Wisconsin and will form a new affiliate known as Habitat for Humanity of Rock and Jefferson Counties, Inc. (HFHRJC). This acquisition should be finalized by August 31st, 2011.

HFHRJC will continue to work out of both offices in each county.

We may have a new name, but our goals and mission will remain the same.
